Rule Number:	Rule R861-1A-12
Rule Title:	Policies and Procedures Regarding Public Disclosure Pursuant to Utah Code Ann. Section 59-1-210
Summary:	The current version of the rule provides for the disclosure of property tax orders, or information about those orders, to persons other than the persons described in Section 59-1-404 and Tax Commission rule R861-1A-37 if disclosure is required under state law. However, current state law under Section 59-1-404 allows, but does not require, the disclosure of certain information from property tax orders. Accordingly, the proposed amendment clarifies that disclosure of property tax orders, or information about those orders, to persons other than the persons described in Section 59-1-404 and Tax Commission rule R861-1A-37 may be disclosed if the disclosure is required or allowed under state law.
